

Changes in PowerPoint 2007

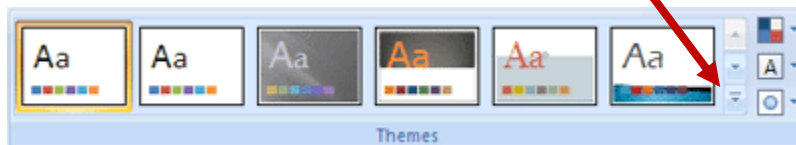

Changing Themes:

A document theme is a set of formatting choices that include a set of theme colors, a set of theme fonts, and a set of theme effects.

1. On the **Design** tab, in the **Themes** group, click the document theme that you want, or click **More**  to see all available document themes.

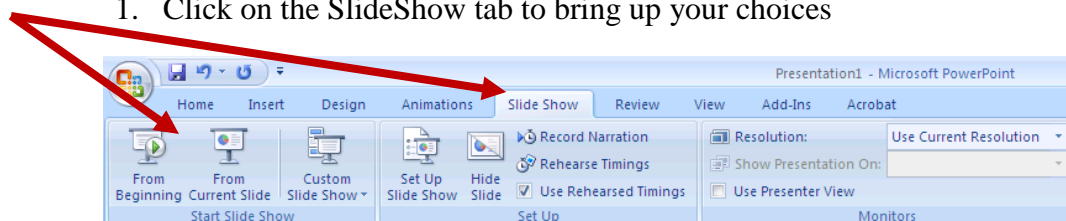

2. If a document theme that you want to use is not listed, click **Browse for Themes** to find it on your computer or a network location.

3. To search for other document themes on Office Online, click **Search Office Online**.

Playing a SlideShow:

1. Click on the SlideShow tab to bring up your choices

OR

2. Click the "SlideShow" button on the viewing pane in the lower right-hand corner of the screen.
